website: www.herbalbee.art

I am a bilingual student currently studying Concept Art in a French university and seeking to find an apprenticeship in the pre-production of films. I have matured traditional art skills as well as in digital media, building on A-Levels in both art and science subjects. I am optimistic, have an easy-going personality, and enjoy team-working and am customer focussed. Reliable, hardworking and quick learning.

HIGHER EDUCATION

2018 – PRESENT

YEAR 3 OF BACHELORS IN CONCEPT ART, BELLECOUR ECOLE, LYON, FRANCE

Art course dedicated to the artwork for films and videogames.

High capability in Life Drawing, image composition.

Experienced in character and creature creation.

Familiar with digital 2d drawing, Photoshop and 3D modelling.

2017 – 2018

FOUNDATION COURSE IN ANIMATION, ATELIER DE SEVRES, PARIS, FRANCE

A course to learn a broad range of 2d and 3d animation art from concept through to production.

Developed a working capability in: stop motion, anatomy and written narration.

WORK EXPERIENCE

SUMMER 2015

ANIMATION WORK EXPERIENCE, DARKSIDE STUDIOS

London based studio working on projects across creative media within digital film-making

I gained work experience collaborating with a team of people to reach a shared goal of part of a new animation. I contributed to the team with ideas and helped where I could.

2015 – 2016

ART WORKSHOP, PETITE ECOLE KENTOISE

French School curriculum under the direction of the London Institute Française

Worked with children to develop their Art skills and promote an exciting and enjoyable working environment for them to experiment in.

PERSONAL SKILLS

- Creative artist with High proficiency in Charcoal drawing
- Good use of English and Mathematics
- IT literacy: Digital art (Photoshop). Familiar with MS Office tools and general IT knowledge.
- Languages: Bilingual English/French, conversational Spanish
- Problem solving
- Ability to work under pressure
- Willingness to learn
- Teamwork
- Good with children

SCHOOL EDUCATION

2015 – 2017

A-LEVELS, DUNOTTAR SCHOOL, REIGATE

A-levels in Art, Maths, Physics and French

2014

GCSE, MAIDSTONE GRAMMAR SCHOOL FOR GIRLS, MAIDSTONE

GCSEs in Art, Maths, Further Maths, Physics, Chemistry, Biology, Astronomy, IT, English Language, English Literature, French, Spanish, History, Religious Studies

FURTHER ACTIVITIES

I have many personal interests across: music, art, yoga, swimming, board games, hiking and languages.

SUMMER 2019 & 2020

POSTHARVEST AND FRUIT QUALITY EVALUATION CREW, DRISCOLL'S GENETICS LTD

A company specialising in technical analysis of summer fruits for major brands in the food industry

I have been trained to provide critical category analysis of summer fruits and their quality. I provide office database support, prepare laboratory equipment, as well as tend for the plants in the greenhouses.

2014 – 2016

VOLUNTEER IN CHARITY SHOP, SUE RYDER, MAIDSTONE

A national chain of charity shops supporting their palliative, neurological and bereavement work

Stemming from volunteering during my Duke of Edinburgh Award scheme, I was a cashier, worked to re-organize and decorate the shop windows and also helped to price and prepare the items.
